

## YOGA DOCK Inflatable Platform

User's Guide

## Inflation

Please refer to your iSUP Manual.

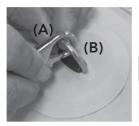

## Connection

Each AM DHYANA Yoga Board can be connected to this YOGA DOCK by three straps (Standard accessory for DHYANA).

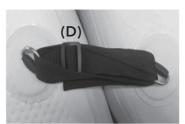

For each strap, follow connection instruction shown below.

- 1. Link up the clasp (A) with D-ring (B) in the dock. Thread the strap through D-ring (C) in the board.
- 2. Thread the strap through the buckle (D) and fasten.
- 3. Repeat above steps for the rest straps.

## **Folding and Storage**

- 1. Deflate and clean the board with fresh water. The original package can be reused for protection.
- 2. Fold the dock as shown below.
- 3. Pack the dock into zip backpack. Store it in a clean and dry place.
